RE: PARLIMENT Promotion in Cancun
Our File Refs.: Mexico Country General & Parliment General

Further to our meeting, I am pleased to report that the PARLIAMENT trademark is available for use on all of the goods identified on the chart you provided me.

I trust that Ginny Murphy is coordinating with our colleagues at Philip Morris Products, Inc. so that they are aware of the promotion.

If you have any other questions, please call. Otherwise, good luck with the event.
